

Edmonton R User Group

Meetup - Jan 31, 2022

Last Thursday of every month, 6-8 pm

We're an online and in-person **R-enthusiast group** hosting **live speaking events** on a range of topics, from data wrangling to visualization and Shiny.

Learn R, hone your skills, network, or just stay up-to-date.
All skill levels are welcome!

Edmonton is located on Treaty 6 territory, a traditional gathering place for diverse Indigenous peoples including the Cree, Blackfoot, Métis, Nakota Sioux, Iroquois, Dene, and many others whose histories, languages, and cultures continue to influence our community.

Dev Edmonton Society

**Fostering a stronger software development community
in Edmonton.**

We are made up of people who believe that an impactful, diverse, and collaborative developer community enriches us all. We realize this vision by sharing knowledge and ideas, understanding the community and its needs, promoting events and initiatives, and supporting technology meetups and organizations.
