

Edmonton R User Group

Meetup - November 24, 2022

Last Thursday of every month, 6-8 pm

We're an online and in-person **R-enthusiast group** hosting **live speaking events** on a range of topics, from data wrangling to visualization and Shiny.

Learn R, hone your skills, network, or just stay up-to-date.
All skill levels are welcome!

Edmonton is located on Treaty 6 territory

a traditional gathering place for
diverse Indigenous peoples
whose histories, languages, and
cultures continue to influence
our community.

Showcase your work!

Tell us in what interesting ways you use R every day!

We are looking for short (10-15 minutes) presentations demonstrating something interesting or new that you found out about recently.

We'd like to have some representation across fields and organizations: biology, engineering, industry, academia, government, SMBs...
